

LORD Aircraft Engine Mounts

Herber Aircraft is a distributor of all LORD shock and vibration control products, including LORD aircraft engine mounts for General Aviation. Herber Aircraft is a major distributor of LORD fluid-free shimmy dampers for Bonanza and Baron aircraft.

Highest Quality

LORD™ aircraft engine mounts are of the highest quality. They have set the standard for elastomeric engine mounts more than 50 years ago. Today, genuine LORD aircraft engine mounts continue to prove themselves at all levels of General Aviation. That's why most major OEMs spec LORD mounts, and why an overwhelming majority of service shops use only original LORD mounts.

Large On-Hand Inventory

Herber is one of the largest stocking distributors of LORD mounts in the world. This is a responsibility we take very seriously; we maintain a large inventory in order to provide the highest level of customer satisfaction, which means rapid delivery of the required aircraft engine mount.

The Bottom Line

Herber offers unmatched comprehensive service from purchase to support, just as the LORD Corporation has an impeccable reputation for quality and reliability. Together Herber and LORD will provide the best combination to support your aircraft engine mount needs.
