

The Herber Aircraft Difference

Since 1978 Herber Aircraft Service has been a manufacturer and repair center for superior quality FAA-approved harnesses and hoses. Herber is also the largest distributor of Eaton aircraft parts in the United States and a distributor of Flexfab, LORD, and HBD/Thermoid parts. You won't find a better, more cost-effective source for the parts you need to keep flying.

Customer satisfaction is our number one priority. Quotes are usually provided within 24 hours. We provide AOG service 24/7 to ensure you receive the help you need to keep your aircraft flying— whether it is general aviation, air carrier, or military.
